## ARE YOU A VETERAN?

As you know in our last newsletter, we asked the same question. We were unaware at the time that we also needed the branch of the service you were in and dates that you served. This is for not only our records but something the Supreme Council is putting together to honor veterans.

So, if you could please again call the office and if no answer leave a message with your name, branch of service and dates you served, we would appreciate it greatly, or just mail back this form.
